**Re: *The Use of N11 Codes and Other Abbreviated Dialing Arrangements, CC*
Docket No. 92-105**

Dear Ms. Dortch:

Yesterday, Josh Swift, Doug Sullivan and the undersigned of Verizon met separately with Scott Bergmann, Legal Advisor to Commissioner Jonathan Adelstein, and Jessica Rosenworcel, Legal Advisor to Commissioner Michael Copps, to discuss the above proceeding. The attached handout was used during the meeting. All issues discussed are consistent with Verizon's position on the record. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann D. Berkowitz".

cc: Scott Bergmann
Jessica Rosenworcel

- Whatever solution FCC selects, carriers must be allowed to recover costs.
- 10-digit mnemonic toll-free number, e.g., 888-DIG-SAFE, is the best option.
- 811 is acceptable as an interim solution, until PSIA amended to allow 10-digit solution.
- 811 will require min. of 12 months to implement.
- Inconsistent state requirements should be precluded.
